

CHANGE OF AUTHORSHIP REQUEST FORM

The Nigerian Health Journal (TNHJ) — Pre-publication

Important information — Please read before completing this form

- This form should be used to request any change in authorship, including adding or removing an author or changing the corresponding author. It should not be used to change an author's name.
- All authors listed on the manuscript, including authors being added or removed, must agree to the proposed change. Each author should provide their full name, institutional affiliation and signature/date as requested below.
- The request should clearly explain why the authorship change is necessary and describe the contribution of any author being added. Authorship should reflect substantial contribution in accordance with accepted publication-ethics principles.
- TNHJ will not adjudicate authorship disputes. Where all authors cannot agree, the matter may be referred to the relevant institution(s) for resolution.
- The Editorial Office may request supporting information or documentation before making a decision. An incomplete form may be returned for correction.
- The completed form should be submitted to the TNHJ Editorial Office. The requested change is not effective until it has been approved by the Editorial Office.
